

Cresco 10SW | Assembled

Code: CR10SW

For Summer and Winter

The 10SW is designed for customers who want a low cost salt and fertilizer spreader with a solid rod linkage, durable gears and a strong chassis.

Product Description:

The 10SW is an upgrade on the 8SW's. It provides the ability to spread both fertilizer and salt as both the winter and summer slider are included in the box. It also comes with a cushioned handle with a T bar lever and a solid rod linkage.

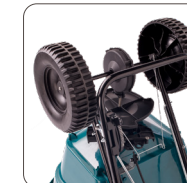

Unique Selling Points:

3 Year Limited
Warranty
