

## MATERIAL SAFETY DATA SHEET: La Blanche.

### 1: IDENTIFICATION OF THE PRODUCT AND THE COMPANY

Product name : La Blanche  
Type of product : Mixture  
Use of the substance : Shading material

Supplier : Houweling Horticulture  
Address : Klappolder 104  
2665 LP Bleiswijk  
Tel: 010- 440 11 66  
Fax: 010-5118610

### 2: INGREDIENT AND THE INFORMATION ABOUT THE COMPONENTS

Calcium carbonate, CaCO<sub>3</sub> Chemical Abstract Service No. : 471-34-1  
Amylodextrine, Chemical abstract Service No. : 9005-84-9

### 3: DANGERS

Most important dangers : None  
Specific dangers : None

### 4: FIRST AID MEASURES

Inhalation : Breathe in fresh air  
Contact with skin : No treatment needed, wash with clean water  
Contact with eyes : Rinse with clean water  
When swallowed : Wash away with a lot of water

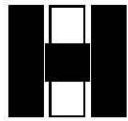

### 5: FIRE FIGHTING MEASURES

Suitable fire equipment : Not in order, not flammable  
Surroundings fires : All extinguishing media allowed  
Specific risks : None  
Specific methods : None  
Explosion Hazard : not applicable

### 6: MEASUREMENTS TO CONTROL UNFORESEEN RELEASING OF THE PRODUCT

Personal precautions : Hand gloves and masks against dust  
Environmental precautions : Sweep cleaning/vacuum cleaning  
Cleaning methods : Sweep cleaning/vacuum cleaning

## 7: HANDLING AND STORAGE

Special security precautions : As normal with the processing of powder  
Storage : Protected against moistness  
Avoidable packing material : None

## 8: PRECAUTIONS TO CONTROL EXPOSURE/ PERSONAL PROTECTION

Protection of respiratory organs : Mask against dust  
Protection of hands : Hand gloves  
Protection of skin : Clothes against dust  
Protection of eyes : Glasses against dust  
For workers below 18 years : Not applicable

## 9: PHYSICAL AND CHEMICAL QUALITIES

Physical conditions : Very fine dust  
Smell : None  
Colour : White  
PH : 9, 3  
Steam point : Not in order  
Melt point : Not in order  
Characteristic explosive : Not in order  
Specific gravity : 500-1.000 kgs/m<sup>3</sup>  
Solubility : Soluble in acids  
Solubility in water : Insoluble

## 10: STABILITY AND REACTION

Dangerous analyse products : None  
Avoidable circumstances : None

## 11: TOXICOLOGICAL INFORMATION

Not in order

## 12: ECOLOGICAL INFORMATION

Ecology General : Classification concerning the environment  
Not applicable  
Ecology water : No water pollutant (surface water)  
Not harmful to fishes  
Resistance/ decomposable : Not biodegradable  
Biological accumulation : Not digestible  
Water pollution : Not poisonous – lightly muddy water  
Ecology – Soil : adsorbs into the soil  
WGK comment : No water pollutant

### 13: CONSIDERATIONS OF REMOVAL

Dispose of waste : Keep to local law of waste  
Determination process of  
Used packing : Burn, recycle, waste disposal

### 14: TRANSPORT INFORMATION

Transport on land and in water : No regulations  
Sea transport : No regulations  
Air transport : No regulations

### 15: REGULATORY INFORMATION

None

### 16. FURTHER INFORMATION

The information in this safety data sheet corresponds to the current level of our knowledge and experience at time of publication. It is given in good faith. The attention of the user is drawn to the possible risks incurred by using the product for any other purpose other than that for which it was intended.
