The company

MAPA SAS

420 rue d'Estienne d'Orves

92705 COLOMBES, FRANCE

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report CQ 979/2**

Tested for harmful substances
according to Oeko-Tex® Standard 100

CQ 979/2

IFTH

for the following articles:

Working gloves made of 100% nylon yarn in white and grey colour, with pigment print in black, partly with PU coating in white and grey, including accessories (white and dyed covered yarn made of polyester/rubber, sewing thread).

Reference: ULTRANE 550 : white, ULTRANE 551 : grey.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 30.09.2016
